**Policy Purpose**      Guidelines for ACS Senior trip

**Policy Information:**

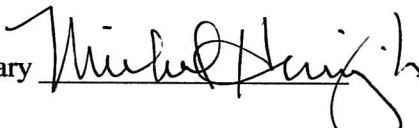

Applewood Christian School does not sponsor or endorse a Senior Trip. However, senior students and parents have organized trips in the past and may want to do so in the future. Since a Senior Trip is a reflection of Applewood Christian School, even without official school sponsorship, it is important that the senior students and parents maintain open communication about the process. With that in mind, the following guidelines are established for Senior Trips.

- 5001.1 A committee of parents and students will be formed during the summer immediately preceding those students' senior year.
- 5001.2 The committee will establish a tentative itinerary and budget for the Senior Trip as well as possible fundraising activities.
- 5001.3 Any fundraising using school facilities or done during school time must be approved in advance by the Administration.
- 5001.4 As wise stewards of the Lord's resources, the Senior Trip Committee will designate a treasurer who will track fundraising progress and report that information to the School Board.
- 5001.5 Regular updates and information concerning the Senior Trip shall be periodically presented to the Board.
